Who gives the right to the La Salle Hotel taxis to use the Washington street side of the City Hall as a place to park in? Why aren't they made to park in front of the hotel instead of blocking up the city's property?

It is possible to supply local telephone service in cities at one cent per call, plus a rental charge so low that every household could have service. This would increase long distance business and would not impair the net earning fund of \$103,000,000 held by the Trust, according to its annual report, just issued.

The occupation of the M. V. L. is gone. The State Utilities law has taken it away.

The way of the reformer is hard. Especially when he wants to get all the graft himself.

There are 300,000 dogs in Chicago and only 28,000 of them licensed.

Under the non-partisanship scheme a nice little mutual admiration society could fill all the offices.

North Siders demand better elevated service.

The daily newspapers will not do so much dictating about public utilities as they did.

Republicans of Chicago and Cook county will get together on Aug. 9, when the Republican Club of Illinois will hold its first annual picnic and field day at Kolze's Electric park, 64th avenue and Irving Park boulevard.

The event will continue all afternoon and far into the evening, during which time some sound Republican doctrine will be expounded by the orators of the day. Among these already invited are Joseph G. Cannon, Frank O. Lowden, J. Adam Bede of Minnesota, James E. Watson of Indiana, William Lorimer and William Hale Thompson. Mr. Lowden said before sailing for Europe last week that he expected to be back in time for the reunion.

The Republicans who are behind the movement expect that not less than 30,000 Republicans from Chicago and Cook county and many sections throughout the state will attend.

The committees now at work and the chairman or each are as follows: Executive—William H. Reid. Finance—William Hale Thompson. Athletic Games—Albert H. Miller. Commissary and Privileges—John C. Righelmer.

Program and Printing—James L. Monaghan.

Prizes—James M. Kittelman. Speakers—Percy B. Coffin. Transportation—David T. Alexander. Sale of Tickets—Virtus C. Rohm. Publicity and Promotion—William J. McKenna.

Included on the committee of athletic games are Edward C. Racey, president of the Central association of the A. A. U.; Representative Frank J. McNichols, one of the well known baseball promoters in Chicago, and Charles J. Peters, known locally as a baseball and athletic enthusiast and as an umpire.

The committees will arrange for music and dancing and will offer an attractive list of prizes for the contestants in all the events. The committee on transportation has made arrangements with the traction companies for extra service on that day.
